CONCURRENT EVENTS

## INTEC 2019

The overwhelming response to this fair from both the participants as well as visitors has brought about a considerable change in the industrial infrastructure of this region.

The host city Coimbatore is also highly renowned across the globe for the entrepreneurial spirit and the aptitude to come out with solutions even in the most challenging scenarios. The attitude of adapting technological up gradations and innovations in the industry, with an appetite of enterprise in its ethnicity, has made Coimbatore a truly global outsourcing hub.

As usual, engineering companies from all over India and abroad had showcased the latest technology to the enterprising industrialists of this region. 60 MSME Units participated & benefitted through support from NSIC and SIDBI.

The array of powerful present day products wielded tremendous potential for growth. There was participation from countries like China, Germany, Japan, Denmark, Netherlands, South Korea, Spain, Thailand, United Kingdom, United States of America, Singapore, Switzerland and Taiwan, who showcased the latest technology in their respective fields.

GMCV 2030 - CEO's Conclave, which had the presence of top line CEOs from the manufacturing sector had a panel discussion on various relevant topics to the benefit of the industry. This was an enlightening and enriching experience for the industrialists and other entrepreneurs who attended this conclave.
